THE CANCER COMPASS BEYOND THE DIAGNOSIS

OUR SERVICES

The Cancer Compass Beyond The Diagnosis provides Advocacy, Education, and tailored Resources to Support Patients, Survivors, and Caregivers.

Support Group "Strength In Unity"

Safe spaces for Caregivers, Patients, and Survivors to share experiences, find resilience, and access to resources to help support along their journey.

Transportation

Ensuring Colon Cancer patients can access necessary treatments without the added stress of logistics, we provide transportation services to and from medical appointments.

Comfort Kits

Each Kit is filled with intentional and acts of kindness items that provide support and add comfort to ease the challenges of treatment for patients facing Colon Cancer.
