

The Cancer Compass Beyond The Diagnosis

SUPPORT GROUP *Services*

Join our STRENGTH IN UNITY (Virtual) Support Group held via Zoom and our Community Support Group (Forum) for Cancer Patients, Survivors, Caregivers and Medical Professionals where we enable patients and families to connect, share experiences and provide mutual support.

The purpose of our Support Groups is to provide a safe space for Cancer patients, survivors, and caregivers to share their experiences, foster connections and friendships among participants, offer emotional support, practical advice and discuss coping strategies.
